Wrap up workshop **2nd Multidisciplinary training workshop** **October 2023**

Susanne Schjørring
Foodborne Infections, SSI, Denmark

Upcoming 3rd workshop in 2024

- Suggestions
 - Still do an tabletop exercise (incl. WGS) however over a longer time period
 - e.g. 2-3 weeks. Information provided in steps
 - To enhance the collaboration with the food side, we include food/ veterinary sector (not mandatory for signing up to the workshop)
 - How many want more complexity, a larger dataset
- Any other suggestions etc.

Thank you !!!

- Visit the website
2nd Multidisciplinary training workshop (<https://www.fwdamr-reflabcap.eu/events/2023>)
- Fill in the survey (email will be sent out today)
- Thank you to the speakers
- Thank you for participating in discussions
